## Chicanes

In case any chicane or part of a chicane is moved or missing as given in the road book drawings, or has been replaced by a temporary structure (plastic cones, concrete block, tape etc.), the drivers are reminded that they, anyhow, must follow the route given in the road book. Otherwise this may be interpreted as an infringement of Art. 14.2 of the FIA WRC Sporting Regulations, and as such will be reported to the Stewards.

All competitors are reminded to check again that all chicanes are correctly marked in their pacenotes.

Also, please read carefully the FIA Safety Delegate Communication 1 (27 July 2017 at 18.45 hrs).
